## Winning the “Excellence Prize” in Huawei ICT Skills Competition Middle East 2017

On December 2017, The team of our CSE student **Naheel Faisal Kamal** won the “Excellence Prize” in Huawei ICT Skills Competition Middle East 2017. The ICT Skills Competition (An HBKU and Huawei collaboration) is a globally coordinated event which is run remotely over the web, which gives students in Qatar the opportunity to participate and compete for a number of prizes, including travel overseas to China.
