## Visit to China organized by Huawei

Some of CSE students mentored by Dr. Khalid Abualsaud visited China on Dec 2017. The visit was organized by Huawei company. The visit was under the umbrella of a program called **“Telecom Seeds for the Future ”**. The program supports the advancement into innovative, digital, and knowledge-led economies. The team visited the Huawei Headquarter , and knew more about Huawei factories. In addition to that, the student could know about the Culture of China by visiting many places there.. Finally the team celebrated Qatar National Day with the Qatari Ambassador at china.
