

**Tell us about your most exciting experience you had during your studies**

Graduation Project on banking System with Dr. Jihad

**Tell us about one of the funny things that happened to you while in QU**

Many funny moments before the Lecture with my colleagues

**- Tell us more about the achievements you had while you was a student.**

- Voluntary Activities with Qatar Voluntary Center
- IT Volunteer during the Islamic Summit

**Do you have an advice or a message to tell newly enrolled students in CSE?**

I believe that information technology play and will play a central role in this world and offer many opportunities in the future. I also believe that newly enrolled student in CSE can and should be the main pillars at the core of envisioning and shaping the future of Qatar.
